

ABOUT WOMEN IN FILM DALLAS & FEATURE FILM FINISHING FUND GRANT OVERVIEW

Women In Film Dallas (WIFD) is a non-profit organization and is part of a global community that empowers, promotes and mentors women in film, television and the digital media industry through networking, recognition and educational opportunities.

The WIFD Feature Film Finishing Fund Grant* is awarded to a WIFD member to help them complete an existing feature film project. If you are applying to this grant but are not a member yet, visit the Membership page on our [website](#). We encourage submissions of high quality projects in all genres: narrative, documentary, educational, animated and experimental (to name a few). *Restrictions apply.

The WIFD Board of Directors (BOD) makes the final selection of the WIFD Feature Film Finishing Fund Grant recipient. The qualifying funds should apply to the project submitted with the grant application form.

The award amount is determined by the WIFD BOD presiding over the grant cycle calendar year. Only one (1) application and project per applicant per calendar year is permitted. The recipient will select the production house/services company/provider that will best help them complete their project. Grant funds will be paid directly to the participating post-production house, 3rd party individual** or post-production provider completing the recipient's project. Invoices from the verifiable post-production providers directly related to the project will be required for payment.

Announcement of the recipient will take place during the WIFD [Flicks by Chicks Film Festival](#), or another WIFD event — as determined by the WIFD Board. The recipient is expected to be present.

*The selection of the Feature Film Finishing Fund Grant recipient is contingent upon qualified projects presented for consideration. Submission does not guarantee selection.

**Examples of 3rd party individuals might be: editor consultations; fine-cut editing; DVD authoring; sound-mixing; color corrections; music composing; music licensing; title design; graphics/animations/illustrations; dub-tilting; closed-captioning; purchasing archival footage rights; master dubs, etc. For questions/concerns about other services, contact the WIFD Grants & Scholarships committee via email: Scholarships@WIFDallas.org.
