

**ABOUT WOMEN IN FILM DALLAS &
ARRI CAMERA COURSE GRANT OVERVIEW:**

Women In Film Dallas (WIFD) is a non-profit organization and is part of a global community that empowers, promotes and mentors women in film, television and the digital media industry through networking, recognition and educational opportunities.

The WIFD ARRI Camera Course Grant is awarded to a WIFD member to aid in the development of their career in the film industry. If you are applying to this grant but are not a member yet, visit the Membership page on our website. The WIFD Board of Directors (BOD) makes the final selection of the WIFD ARRI Camera Course Grant recipient.

The ARRI Certified User Training for Camera Systems course (\$1500 value) is a 3-day training course covers all aspects of shooting with the ALEXA LF, ALEXA SXT, ALEXA Mini and AMIRA. Experienced working professionals will teach this class using real-world production scenarios. At the completion of the class you will have deep knowledge of the functionality of the ARRI line of cameras in addition to advancing your creative skills.

Each class has a limit of sixteen attendees to insure ample hands-on, and high ratio of time with instructors. You will be provided with a detailed introduction to ARRIRAW and other recording formats, ARRI look workflows, as well as the ARRI Electronic Control System. You will receive hands-on instruction with an ARRI camera kit, and on computers loaded with post-production software. Typical on-set situations and exploring common post-production workflows will be included. Experimenting with the application of different ARRI looks and LUTs to suit individual setups will also be part of the hands-on teaching.

The applicant is able to chose between 2 course dates; November 7-9, 2019 in Brooklyn, NY OR December 12-14, 2019 in Burbank, CA. The award recipient will also receive financial reimbursement to cover travel related costs (up to \$1500).

The recognition of the recipient will take place during the WIFD Topaz Film Festival Awards Ceremony on September 21, 2019. The recipient is expected to be present.
